

# ACS Athens Data Privacy Notice & Consent Form

---

## PLEASE READ CAREFULLY!

In our effort to safeguard the personal data of our families and especially students enrolled in the academic programs of ACS Athens, we hereby seek the parental or legal guardian consent for the collection and processing of personal data.

Student and parent personal data will be used to complete the enrollment and admission process of the student while student's data will also be used to document and assess the student's participation in the accredited and authentic academic programs, co-curricular and extra-curricular activities of ACS Athens. Personal data collected will be restricted to a minimum and will remain in the possession of ACS Athens for as long as the student is enrolled in ACS Athens, or for 10 years after graduating from the school. After that, all collected data will be deleted from all electronic or physical storage systems of ACS Athens.

Please be advised that ACS Athens has taken all necessary organizational and technical measures to safeguard your child's personal data in its possession.

In case you have any questions regarding this form or require further details, please send an email to [dpo@acs.gr](mailto:dpo@acs.gr) and we will answer them as soon as possible.

Our complete Data Privacy Policy can be found at [https://www.acs.gr/existing\\_students\\_policies\\_privacy/](https://www.acs.gr/existing_students_policies_privacy/)

### ACS Athens Mission Statement:

ACS Athens is a student-centered international school, embracing American educational philosophy, principles and values. Through excellence in teaching and diverse educational experiences, ACS Athens challenges all students to realize their unique potential: academically, intellectually, socially and ethically — to thrive as responsible global citizens.

YES

NO

### **ACS Athens Media Policy Consent**

ACS Athens documents and celebrates the academic, athletic and other activities and achievements of our student community in a variety of media. Many of these programs and activities are specifically designed to utilize these media. Although we make every effort to use the personal data of students responsibly and proportionately, *consenting or not to the use of a student's private data in those media may affect the student's overall participation in some school programs.*

**Do you consent to the use of the student's personal data for the purposes below?**
