Dear incoming seventh graders,

We know some of you dread the idea of “Summer Reading,” but we have selected an activity that we think you will find fun and interesting. This summer’s activity is “Reading BINGO (READ!)” which allows for choice, variety, fun, and relaxation.

When you return to school in September, you will need to turn in the completed **Google Slides named “7th Grade Summer Reading.”** You can either print this out or make a copy of it and share it with all three Language Arts teachers. We will collect the assignment between **September 18th and September 29th.** This assignment will be checked.

You may use old books, new books, e-books, or library books. If you would like to find some book suggestions then please use the following link ([goodreads](#)) and type your book genre in the search bar (for example: Graphic novels middle school).

Click on the link below and make a copy of the Google Slides presentation so that you can write on it if you wish. Then title it “Your Last Name – 7th Grade Summer Reading 2023” and share it with all three Language Arts teachers.

7th Grade Summer Reading Assignment

Reading BINGO (READ!)

This summer we want you to be able to have a choice of what you read as well as have fun and/or relax while reading. Therefore we will play reading BINGO or READ! Your goal is to get a BINGO (READ!) across, down, or diagonal. Whichever 5 BINGO (READ!) boxes you choose, you will have to fill out the designated slides. For example, let's say you want to get a diagonal starting from "Read on the beach". You would fill out slides R1, E2, A3, D4, and !5. If you wanted to fill out an across starting with R3 then you would fill out the Google Slides for R3, E3, A3, D3, and !3. You need to have all 5 boxes completed in order to get the BINGO (READ!).

We will be collecting your BINGO (READ!) card and Google Slides between **Sept. 18th and Sept. 29th**. You can submit virtually to your LA7 teacher, or you can print the BINGO (READ!) card and the Google slides you are using and then hand them to your LA teacher on the due date. If you have questions, please email any of the LA teachers. Below is a link to a website where you can search for books under the specific genres.

Search here for book ideas: <https://www.goodreads.com/>

Note: You may not use the same book for multiple boxes. If a book is both nonfiction and about WW2 then you need to pick one or the other.

We have also attached the thumbnails of the slides in case you want to write down the information in a notebook or on a separate document. You do not need to use the Google slides but you do need to follow the format on Google Slides.
