

PARENT ACCEPTANCE OF FINANCIAL RESPONSIBILITY STATEMENT

I. TUITION PAYMENT REGULATIONS

- A. The school does not invoice/ notify individual parents in writing for tuition amounts and dates of payment. The school website published School Fee Schedule on ACS Athens web site are applied for the relative school year and enrollment of each student to ACS Athens automatically means the acceptance of the relevant tuition fees. If tuition clarifications are needed, the cashier's office should be contacted. Immediately upon payment, the school cashier will issue the official receipt to the payor. ACS Athens offers a tuition payment plan that can be facilitated through the office of the Director of Finance. A month interest charge of 0,5% is added to each payment.
- B. Parents must pay the required school fees for each semester in advance as stated to the School Tuitions & Fee Schedule published in the school website. The Tuition Fees Payment Policy states that:
"No student will be allowed to attend classes without having previously paid the total of the respective semester's tuition and other applicable fees unless prior Board approval has been obtained. Any delay in such payments will be subject to the Board's published late penalty fee. A finance charge of 0,5% per month on the unpaid balance will be applied to all payments made after the first day of each semester."
- C. It is understood that, at any time during the school year, ACS Athens could initiate immediate legal action if the tuition fees payments are more than 30 days overdue. Also, I clearly resign from enrolling my child(ren) as a student at ACS Athens at the end of the school year if there are outstanding tuition fees. Furthermore, for a child(ren) to continue at ACS Athens after legal action is taken, all outstanding fees plus the full first semester fees for the coming school year must be paid before the child(ren) can be re-admitted.
- D. Senior students with outstanding tuition balances are not allowed to participate to the Commencement Ceremony.
- E. Third child discount is valid only when all three students attend the school at the same time.
- F. The obligations of the School under this Agreement may be suspended immediately without notice during the periods that the School must close of *Force Majeure* events including, but not limited to, fire, acts of God, war, governmental action, terrorism, epidemic, pandemic, outbreaks of infectious disease, any other public health crisis, or any other event beyond the School's control. If such an event occurs, the School's duties and obligations under this Agreement may be suspended or postponed until such time as the School, in its sole discretion, may safely re-open. A *Force Majeure* event will not entitle the parent(s), guardian(s) or other financially responsible party/parties to a tuition refund. The aforementioned explicitly waive their claims of unjustifiable enrichment.

II. GREEK REPORTING

ACS Athens is obliged to report to the Greek Government (Article 3.1. POL. 1195/22.10.2012) the combined amount of tuition paid for the calendar year (Jan. 1 to Dec. 31), by the student's parent or legal guardian, including their Greek Tax Identification Number (ΑΦΜ).
