FINANCIAL RESPONSIBILITY STATEMENT

I. TUITION PAYMENTS

- A. The school does not invoice or notify parents/legal guardians in writing for tuition amounts due and dates of payment. This information is published on ACS Athens web site. If tuition clarifications are needed, the cashier's office should be contacted. When the parent/legal guardian enrolls a student to ACS Athens he/she recognizes and consents to the relevant financial tuition and fees obligation.
- B. Parents/legal guardians must pay the required school tuition and fees in advance of the starting date of each school semester. The Board of Trustees Tuition Fees Payment Policy states that:
"No student will be allowed to attend classes without having previously paid the total of the respective semester's tuition and other applicable fees unless prior Board approval has been obtained. Any delay in such payments will be subject to the Board's published late penalty fee. A finance charge of 0,5% per month on the unpaid balance will be applied to all payments made after the first day of each semester."
- C. Upon payment, the school cashier will issue the official receipt to the payor. ACS Athens may offer a tuition payment plan that can be facilitated through the Cashier's office. An interest charge of 0,5% (monthly) is added to each installment payment. Parents/guardians have the ability to view detailed information of charges and payments through Skyward's Family Access – Fee Management tab, using their login information.
- D. ACS Athens could initiate immediate legal action if the tuition fees payments are more than 30 days overdue. Also, parents/legal guardians clearly agree to resign from enrolling their child(ren) as students at ACS Athens at the end of the school year if they have outstanding tuition and fees amounts from the prior school year. Furthermore, for a child to continue at ACS Athens after legal action is taken, all outstanding fees plus the full first semester fees for the following school year must be paid in advance before the child can be re-admitted.
- E. Senior (12th Grade) students, with outstanding tuition balances are not allowed to participate at the Graduation Commencement Ceremony.
- F. The third child discount is valid only when all three students attend the school at the same time.
- G. The financial obligations of the School may be suspended immediately without notice during periods that the School must close due to *Force Majeure* events including, but not limited to, fire, acts of God, war, governmental action, terrorism, epidemic, pandemic, outbreaks of infectious disease, any other public health crisis, or any other event beyond the School's control. If such an event occurs, the School's duties and obligations under this Statement may be suspended or postponed until such time as the School, in its sole discretion, may safely re-open. A *Force Majeure* event will not entitle the parent(s), guardian(s) or other financially responsible party/parties to a tuition refund. The aforementioned explicitly waive any claims of unjustifiable enrichment. The obligation to pay tuition fees is fully in the case of tele-education.
