

Dear IB HL math Year 1 students,

Your summer work is now posted on Moodle.

It's in three parts:

1) Calculus questions on integration (require some studying): posted in our Moodle shell Calculus tab.

Due date: September 9.

2) Summer IA project: details posted on our Moodle shell Internal assessment tab.

Due date: September 9.

3) Two more IA topic proposals (other than the summer IA project): details posted on our Moodle shell Internal assessment tab.

Due date: September 9.

Additional important information.

a) After your request I posted few past papers and mark-schemes. Look for them in a new tab, called Past papers.

b) Integration past paper questions 2008-2011 posted in Calculus tab in Exercises folder.

c) There will be a mandatory mock exam towards the end of September 2019. It will cover all topics from Year 1.
