

Prep for IB IO Mock exam in September

There are **10 pictures** attached. You must write 10 bullet points per picture. The bullet points must be maximum 3 lines each. They are to help you present in the oral exam. You will be able to see them but not to read them. In order to write the bullet points you must:

- Follow the document [How to describe a picture](#)
- Make some research to connect the picture with the Spanish speaking culture (2 or 3 of the bullet points must be related to the culture). Keep it easy and use basic language.

These bullet points must be submitted the first day of school. I will give them back to you the day of the exam so that you can use them.

Structure to describe a picture>(10 bullet points)

- Describe what you see, persons, things, places in detail (4 or 5 bullets)
- Cultural connection (2 or 3 bullets)
- Personal opinion (1 or 2 bullets)

After the presentation, there is a conversation on different topics. Please study the [questionnaire](#).

Please do not forget that this is not a homework assignment but a part of your June mock examination (25%).
