

ISST/SCIS Parent and Student regulations form

All students participating in tournaments and other athletic events organized shall follow these regulations by the International Schools Sports Tournament (ISST) & Sports Council of International Schools (SCIS). Any student who participates in an ISST / SCIS event agrees, by signing below, to obey the regulations.

1. Students shall obey all instructions given them by their host parents and their coaches as if their own parents gave these instructions to them. This applies to all activities irrespective of location undertaken during the period of the tournament or competition.
2. Smoking or any other use of tobacco, the drinking of alcohol and the use of drugs are not permitted.
3. Housing arrangements made by the responsible official of the host school may not be changed.
4. Students must be in the home of the host parent by the curfew hour set by the school.
5. Neither host families nor students may negotiate changes to the ISST / SCIS regulations for students with respect to curfew, housing arrangements, the use of tobacco, alcohol or drugs or any other rules set forth by the host school.
6. These regulations apply to all students: both those from the host school and those visiting throughout the competition's duration. These regulations also apply to visiting students during the journey to and from the site of the event.

Violation of these regulations will be reported to the responsible ISST official and to the student's head teacher.
