

Imperial College London

Imperial College London is a world top ten university with an international reputation for excellence in teaching and research. **Consistently rated amongst the world's best universities**, Imperial is committed to developing the next generation of researchers, scientists, and academics through collaboration across disciplines. **Located in the heart of London**, Imperial is a multidisciplinary space for education, research, translation and commercialization, harnessing science and innovation to tackle global challenges.

Jake Ganymede, International Officer for Europe, visited **ACS Athens** on February 6, 2020, and offered a presentation to students in the Learning Commons. If you would like to hear part of what Jake had to say you can watch an interview that he gave in the [Media Studio here](#).
