Dear incoming 6th graders,

Summer is a wonderful time to read for pleasure. The English Department is asking you to take advantage of this time of year to fulfill one of the requirements for your next year's Language Arts class.

This summer's activity allows for choice of the books you are interested in reading. So you may read any two books that you have not already read. For each book you will choose to complete 2 different challenges per book. This way you will complete a total of four different challenges which are available to you on a google slide presentation (directions are also found on slide 2 of the presentation).

When you return to school in September, you will need to turn in the completed Google Slides named "6th Grade Summer Reading." This assignment should be submitted by September 30th and it will be checked and returned with comments.

Click on the link below and make a copy of the Google Slides presentation so that you can write on it. Then title it "Your Last Name – 6 th Grade Summer Reading 2022" and share it with your Language Arts teacher in September.

We will see you in September.

Happy reading and have a wonderful summer!
