

MIDDLE AND HIGH SCHOOL CAFETERIA NEW SERVICE POINT

September 28, 2020

Dear Middle and High school Parents and Students,

Please be informed that our cafeteria contractor, Gefsinus, created a new student serving point that is located on the opposite side of the current cafeteria kitchen. By doing so, they will be able to serve a larger number of students with safety, following the physical distancing health protocols. This serving point will be available to students throughout the day except for break periods when students move between classrooms.

Gefsinus will provide a limited variety of soft and cold snacks, e.g., sandwiches, salads, puff pastries, and beverages. There would be no requirement to pre-order those items (as required with the hot meal purchasing, through the Wolt ordering electronic service). The students will be able to pay with their own debit/credit cards or with credit money added to their ACS Student Identification Cards. Cash payments will not be allowed for time and safety reasons.

To add credit to the ACS Student Identification cards, please contact the Gefsinus Cafeteria Manager, Mr. George Borsis directly, cell # 6951697631, email acs@gefzinus.gr, and make the payment arrangements. Since parents have restricted access to the school campus (due to the coronavirus precautions), please make payments directly to one of the below Gefsinus bank accounts:

ALPHA BANK - IBAN#: GR7901401730173002320000360

PIRAEUS BANK - IBAN#: GR3701720140005014023870826

Upon completing the bank transaction, please email the bank transfer slip to acs@gefzinus.gr for faster processing.

Please do not send such payments to the ACS Athens bank accounts or to the ACS Athens Cashier.

Thank you for your patience and understanding during this restricted coronavirus environment.
