

## What we did

### Hot Dog Friday was a great success!

Both our lovely parents and precious students enjoyed the variety of chicken, pork and vegetarian options we had. It was a lovely way to kick in the academic year with socializing, eating and chatting!

### Halloween Sale & Carving Competition

were amazing days for everyone. Who doesn't enjoy the spooky spirits!

Congratulations to our winners!

## PTO Corner

### PTO board

Members finally had their face-to-face meeting after so long. It was so heartwarming to be together at school again! But not only that, they also had the honor of meeting with the Dr Pelonis, the president to discuss multiple issues, followed by meetings of the PTO reps with the principals.
