

Second Grade Supply List

In 2nd grade, we use community supplies. Buying school supplies is a fun time for both parents and students, and parents enjoy getting materials for their child, but these “private stashes” can leave some children with inferior supplies and cause bickering and hurt feelings when children lend supplies only to certain classmates. We have found that switching to a community supply system—all supplies are shared by everyone—makes for a much more peaceful classroom. This system helps foster a sense that the classroom and everything in it belongs to everyone; it helps children learn how to share and cooperate; it cuts down on competitiveness and one-upmanship; and it ensures that all children have what they need.

Please **do not label** any of your child’s school supplies as we will be using them as community classroom supplies!

(Of course, you can still buy special supplies for your child, but to be fair to the other children, these supplies can stay home to be used for project work done there)

Thank you!

Your child will need to bring the following items to the classroom teacher **during the first week of school:**
