

Dear Parent Community,  
**The ACS PTO Board would like to wish you  
a very happy and safe Thanksgiving holiday.**

As we encourage and support our children with their online schooling we must remember their friendships look drastically different now too. A big worry is how to maintain friendships, it takes a lot more work to sustain relationships when there is no chance for socializing.

We look forward to seeing you at our next Parent and Principal Virtual Meetings which will be held the first week of December. You can find all the minutes and the recordings of these meetings on the PTO website
